Welcome to Seminole Heights, the historic neighborhood in Central Tampa celebrated for its Craftsman style bungalows, tree-lined streets and tight-knit community. Fueled by redevelopment, the area blends restored historic homes with modern construction. Florida Avenue is the Heights' primary commercial corridor and thrives with independent restaurants, craft breweries and unique boutiques. At the heart of "restaurant row" in this vibrant, eclectic locale is Hite Apartments, a modern complex of 81 one- and two-bedroom units with approximately 95% occupancy.

Hite has an exceptional commercial leasing opportunity for your retail concept. The location is a great fit for a gym, furniture store, pizzeria spot or even an indoor playground. The floor-to-ceiling windows along Florida and Idlewild Avenues allow natural light to flood this restaurant-ready space. A grease trap and hood shaft are in place along with a gas line. The landlord is offering a generous tenant improvement allowance to assist in customizing the space to your vision.
