Coastal Oceanside Demand

Oceanside is one of the most truly unique beach communities in the county. This authentic beach town has a tangible laid-back vibe and is known for its pristine 3.5 miles of beaches, iconic pier, and quaint harbor. Surfing, skateboarding and bike riding have always been the most popular pastimes here. In recent years Coastal Oceanside has become a hot-spot for farm-to-table dining experiences, along with new breweries, cafes, boutiques, coffee shops, surf shops and skate shops.

Oceanside is having a resurgence thanks to new development that's happened over the past few years. The growth has brought in new beachfront hotels like the Mission Pacific Hotel & The Seabird Resort, eateries such as Craft Coast Beer & Tacos and The Plot, coffee roasteries such as Vigilante Coffee, and an influx of retail shops like Rais Case and Brixton.
