# LOCATION, LOCATION, LOCATION

Located in downtown Huntington Beach, California, Surf City USA, this is an area attracting more than 500,000 visitors within the summer months with local neighbors and new developments there will always be constant foot traffic. Huntington Beach is well known for its beautiful pier and neighborhood collection of restaurants, pubs, boutiques and countless businesses. This development is walking distance to the beach and in the heart of Huntington Beach Main St. This Multi-use building offers spacious retail and office space with open balconies and floor plans. Not to mention strategically placed shaft throughout the first level to accommodate restaurants and eatery. Iconic one of a kind “creative space” with views throughout the entire building, underground parking. Each space will be priced accordingly. Please call for pricing information.
