A STRATEGIC LOCATION FOR GROWING PRACTICES

Solara Medical Center is undergoing extensive renovations and will emerge as North County's premier Class A medical office destination. Designed for modern healthcare, it will combine luxury finishes, upgraded systems, and patient-focused enhancements in a highly connected, visible location. Highlights include:

- The Opportunity to Own Your Space: Condominium Units Available
- High-End Medical Project
- Flexible Suites from 1,347 – 28,065 RSF with Custom Buildouts Available
- Reimagined Lobby and Common Areas with Luxury Finishes; Patient-Focused Upgrades Throughout
- Modern Electronic Directories for Easy Navigation
- Upgraded Elevator & Building Systems
- Enhanced Exterior Façade & Revitalized Landscaping
- Ample Parking: 5/1,000 SF
- Strategically Positioned Off Highway 78 for Maximum Visibility

Just steps from Tri-City Medical Center—soon to be a Sharp HealthCare hospital—Solara Medical Center delivers unparalleled visibility and accessibility for healthcare providers. With multiple health systems expanding into the region, Solara presents a unique opportunity for medical groups to establish or grow their presence in a highly connected Class A setting. Secure your space today and position your practice for the future.

IN THE HEART OF A THRIVING HEALTHCARE HUB

Solara Medical Center offers unmatched proximity to one of North County's most respected medical institutions, making it an ideal location for healthcare providers seeking visibility, convenience, and connectivity.

Located just 250 yards from Tri-City Medical Center, Solara sits at the heart of a thriving healthcare corridor. The hospital is recognized for comprehensive, patient-centered care across specialties including Orthopedics, Cardiovascular, Neurovascular, Women's Health, Cancer, and Emergency Services. Home to a Level III NICU and certified stroke and heart programs, Tri-City Medical Center is a cornerstone of advanced care in North County.

Building on this strength, **Tri-City has entered into a long-term partnership with Sharp HealthCare** to expand access to primary and specialty care, restore specialty services such as labor and delivery, invest in next-generation technologies, modernize record systems, enable seismic upgrades on campus, and ensure long-term financial sustainability.

PATIENT DEMAND FORECAST SOLARA MEDICAL CENTER

revista_{med}

Utilizing data from the Revista Specialty Demand Tool, this property benefits from deep insights into local healthcare trends, provider density, and specialty demand. This analysis supports strategic leasing decisions by identifying unmet clinical needs in the surrounding market, helping to attract high-value medical users. The physician demand reflected in the data is based on a 5-mile radius around Solara Medical Center in Vista, highlighting key specialties with growth potential. With this data-driven approach, ownership is positioned to align tenancy with the most in-demand specialties, maximizing the long-term success and stability of the project and the physicians.
