Close Proximity to Disney World

The property is located in an area historically geared to visitors of Walt Disney World, whose Epcot and Hollywood Studios parks and Disney Springs shopping district are within a 10-15 mins' drive. With Disney World as the region's major attraction, greater Orlando saw 74 million visitors in 2022.

Booming Residential & Retail Growth

While still preserving its touristic core, the property's environs have evolved into a dynamic market with robust growth in the residential, commercial and hospitality sectors. In the last 5-10 years, numerous residential developments and anchored shopping centers have sprung up across the vicinity, including Publix-anchored Sunrise City and Aldi-anchored Cane Island Shoppes, which join the long-established Lake Buena Vista Factory Stores, Target, and Walmart SuperCenter, enhancing the region's overall shopping experience.

The Celebration Community

Only 2 mi from the property, Celebration
Village, master-planned by Disney, is a popular
focal point for visitors and locals alike, as is the
Old Town Kissimmee attraction, located I mi
from the property. Celebration is home to
Osceola County's largest hospital, the
Mediterranean-style AdventHealth Celebration,
which attracts patients from across the country
for its specialized care and world-class
accommodation.
