# STE 102 | 1927 CERALVO STREET, SAN ANTONIO, TEXAS 78237

## OVERVIEW

Feature	Details
Total Area	800 sqft (34x23.5)
Parking	8 parking spaces + shared 30 space gated parking lot
Ideal For	This standalone space is ideal for low-buildout, service-based users seeking affordable visibility in a high-traffic corridor. With open space and minimal layout complexity, it's well-suited for barbershops, beauty salons, mobile device repair or sales, insurance/check-cashing offices, coffee/smoothie takeaway retail, nail technicians or eyebrow threading studios.
Zoning Information	The property is zoned C-2, providing greater flexibility than nearby parcels, which are zoned C-2NA (non-alcoholic). This makes the site eligible for a wider range of commercial uses, including retail liquor sales and certain food/beverage services not permitted under C-2NA restrictions. This property could be the only liquor store in the neighborhood.
