

For Sale

515 S. 4th Street, Osage City, Kansas, 66523

205,000 SF | 18.50 acres

Executive Summary

Colliers is pleased to present the opportunity to acquire this 205,000 SF manufacturing facility on 18.50 acres in Osage City, Kansas. The facility, most recently occupied by ORBIS Corporation, is a leading manufacturer in North America of plastic reusable containers and pallets.

The property was previously used for Injection Molding manufacturing and those building infrastructure and equipment improvements still remain. Contact broker for additional details.

Osage City, Kansas is a tertiary market located approximately 85 miles southwest of Downtown Kansas City and approximately 116 northeast of Wichita. Osage City currently has a population of about 2,816 residents with a median household income of \$45,504, and a median home value of \$127,830. Osage City has an employment base of about 900 people, 59% in white collar industries, 28% in blue collar industries, and the remaining 13% in the service sector.

Osage City's laborshed extends 36 miles north to Topeka, 32 miles east to Ottawa and 34 miles southwest to Emporia. Ottawa and Emporia industrial markets are slightly larger with markets in the size of 4.3 million SF and 3.5 million SF respectively, while Topeka is a more established industrial market with a current inventory of nearly 20.5 million SF.

Location Overview

Market Overview

Located in East-Central Kansas, Osage City provides a strategic setting for manufacturing and logistics operations, combining small-town efficiency with strong regional connectivity. Positioned along U.S. Highway 56 and just 30 minutes from I-35, the city offers easy access to major commercial corridors without the congestion of urban centers. It lies approximately 85 miles from Downtown Kansas City and 116 miles from Wichita, with Topeka, Ottawa, and Emporia all within a 40-mile radius.

Osage City supports an active industrial market, available development sites, and a responsive local government—creating a cost-effective, business-friendly environment. Employees benefit from short commutes, affordable housing, and nearby amenities including schools, recreation, and essential services. The balance of accessibility, workforce stability, and quality of life makes Osage City an attractive destination for industrial users seeking long-term success in a connected, supportive market.
