LOCATION

Conveniently located off I-95, **333 School Street** is a well-established 45,000 SF medical outpatient building in the heart of the Blackstone Valley, offering excellent accessibility for healthcare providers and patients. Surrounded by a strong network of medical practices, including dermatology, primary care, specialty care, and other healthcare services, the property benefits from a thriving medical community that supports patient convenience and referral synergy. Remodeled in 2009, the building features medical condominium units with layouts designed for clinical use, including multiple exam rooms and private offices.
