## Overview

Versatile Warehouse Space – Ideal for a Range of Business Uses

This adaptable warehouse is designed to meet the needs of today's growing businesses with a perfect balance of functionality, efficiency, and accessibility. Whether you're in e-commerce, light manufacturing, creative production, or distribution, the open floor plan supports a variety of buildout options tailored to your operational goals.

With practical clearance heights and flexible layout potential, the space easily accommodates pallet shelving, smallscale machinery, or custom office setups. Its moderate ceiling height supports energy efficiency—helping reduce utility costs—while maintaining a comfortable, low-maintenance environment. Ideal for trades, service providers, or fulfillment centers, the property also allows for smooth truck and van access, making day-to-day logistics simple and efficient.

Position your business for success with a warehouse that offers the space and versatility to evolve with your needs.
