Section 20A. - Industrial park manufacturing zone—Business and Technology Center (IPM2)

20A.1 *Uses permitted.* No building or premises shall be used and no building or part of a building shall be erected, which is arranged, intended or designed to be used, in whole or in part, for any purpose, except the following, and in accordance with performance standards procedure as set forth in article 5, section 8, and subject to site development plan approval as set forth in article 10, section 2:

20A.11 Manufacturing, assembling, converting, altering, finishing, cleaning, cooking, baking or any other type of manufacturing, industrial, or technological processing of any goods, materials, products, instruments, appliances, biotechnology, and devices, provided that the fuel used shall be oil, gas or electricity; together with incidental clinics, cafeterias and recreational facilities for the exclusive use of employees of the concern engaged in such undertaking.

20A.12 Research, design, testing and development laboratories.

20A.13 Offices and corporate support operations for business and professional services, data management, financial services, insurance, and health care industries.

20A.14 Agricultural or farm uses as defined and permitted in article 3, section 1.11.

20A.15 Production of electricity provided that the power source used shall be gas, oil, solar or wind.

20A.16 Warehousing, transshipment and distribution, and logistics support.

COMMERCIAL
MOVING EXPERIENCE
REAL ESTATE

The Commercial Moving Experience provides the commercial real estate user, owner and developer with real solutions to their business and operational space requirements. We have earned a reputation for a service-first approach and superior market knowledge. Chuck Spiegelman has Over 20 Years in selling and leasing of industrial, office, flex, retail, land, medical and research & development properties.

Our reach is national, but our expertise is LOCAL market implementation. This allows us to provide seamless, consistent execution and value driven market-to-market commercial real estate services.

Our team understands real estate and accountability. They provide an expert approach to leasing, selling, buying, operational efficiencies, property management, valuation, development, research and consulting.

We are your commercial property strategist providing value and custom solutions, enabling our clients to make profitable decisions. Our comprehensive commercial real estate services are provided to sellers, buyers, owners, tenants, investors, corporations and developers.
