The floors are set behind an elegant period facade and feature exquisite traditional detailing inside, to include: cornicing, original fireplaces, bay windows and impressive ceiling heights. The refurbishment will balance the traditional aesthetics and heritage of the building with modern comforts to exacting standards, complimented by an elegant reception, private terraces, hard wood flooring, air conditioning, private WCs, kitchen and shower facilities. The penthouse floor of the building juxtaposes the other traditional floors with voluminous vaulted ceilings creating a warehouse style loft space complimented by a private terrace, the like of which has never been seen before in the heart of Mayfair.
