Location Description

The Craven County Industrial Park is located at the intersection of Clarks Road and US 70 just outside of New Bern, North Carolina, the Historic Colonial Capital of NC and the county seat of Craven County. Situated just minutes from Greenville, Kinston, and Jacksonville, the park is convenient to the Port of Morehead City, Raleigh, and Wilmington.

New Bern MSA (Metropolitan Statistical Area):

- GDP (Gross Domestic Product) over \$4.6+ Billion (I-95 East to the Outer Banks)
- Craven County: population over 100,000, home to Carolina East Medical Center (flagship of Carolina East Health System), Coastal Carolina Regional Airport, Marine Corps Air Station Cherry Point in Havelock, Craven Industrial Park & a Federal Courthouse.
- Located in the 18 County NCSE (North Carolina Southeast) region, home to 5 MSAs:
 - Two NC Ports Population of 1.8+ million with a labor force of 730,000+
 - More than 30 Fortune 500 companies
 - Airports: Wilmington International Airport, Fayetteville Regional Airport, Albert J. Ellis Airport, Coastal Carolina Regional Airport, and the North Carolina Global TransPark
 - Interstate highway network including the new I-42
 - Extensive rail service
 - 7 military installations
 - 6 major universities
 - 15 Community colleges that concentrate on job skills training for existing and recruited industries, including Craven County's own workforce development training center (VOLT Center)
 - 7 Business Incubators throughout the region
 - Innovative healthcare facilities

NCAC:

The North Carolina Aerospace Corridor (NCAC) exists to establish Wayne, Lenoir and Craven counties in Southeastern North Carolina as a world-class aerospace and aviation corridor, and to promote the region's common assets to take advantage of opportunities for growth in the corridor. The central of the NCAC location offers:

- Unparalleled access to air, rail, highways and North Carolina's two international ports
- Convenient access to the region's four major military bases
- Aggressive economic development model to transition from tobacco and textile industry clusters to aerospace, food, housing, biotech and pharmaceutical.
- 1-day trucking service to major metropolitan markets, such as Atlanta, Baltimore, New York and Philadelphia
- 2-day motor freight services to reach target cities like Boston, Miami, Chicago and Pittsburgh
