Medical Center Land for Sale

6897 Ardmore St. offers several advantages. Its proximity to the Texas Medical Center ensures a stable rental market with consistent demand from medical professionals and patients. Access to major transportation routes facilitates easy commuting to downtown Houston and other key areas. Additionally, the property's potential for development and resilience to economic fluctuations make it a compelling investment opportunity. Furthermore, the area's ongoing population growth adds to the property's long-term investment potential.

INVESTMENT HIGHLIGHTS

- Premier central site - medical hub proximity
- Access to transportation and amenities
- Resilience to Economic Fluctuations

Educational Institutions

The Houston region has more than 40 two-year community colleges and four-year universities, including three Tier 1 universities: Rice University, University of Houston and the nearby Texas A&M University in College Station. Houston-area colleges and universities educate nearly 430,000 students and graduate more than 100,000 students annually.

The region also has 50 trade, vocational and business schools specializing in law, healthcare, welding, process technology and various other disciplines that enroll an additional 20,000 students, according to the National Center for Education Statistics.
