NON-ENDORSEMENT NOTICE

Advance Industrial Group is not affiliated with, sponsored by, or endorsed by any commercial tenant, lessee, or third-party entity identified in this property analysis report. The inclusion of any company names, trade names, trademarks, logos, or other identifying information is intended solely for informational and contextual purposes.

The presence of such information does not imply or suggest any affiliation with, or endorsement by, those entities of Advance Industrial Group, its affiliates, subsidiaries, agents, representatives, or any properties managed, owned, or evaluated by the Group. All tenant or lessee-related references are provided exclusively to support the recipient's understanding of current occupancy or leasing conditions relevant to the property under review.

This report is prepared for internal or client-based discussion purposes and should not be interpreted as promotional material, marketing collateral, or a representation of an offer to sell, lease, or engage in partnership with any of the entities named herein.

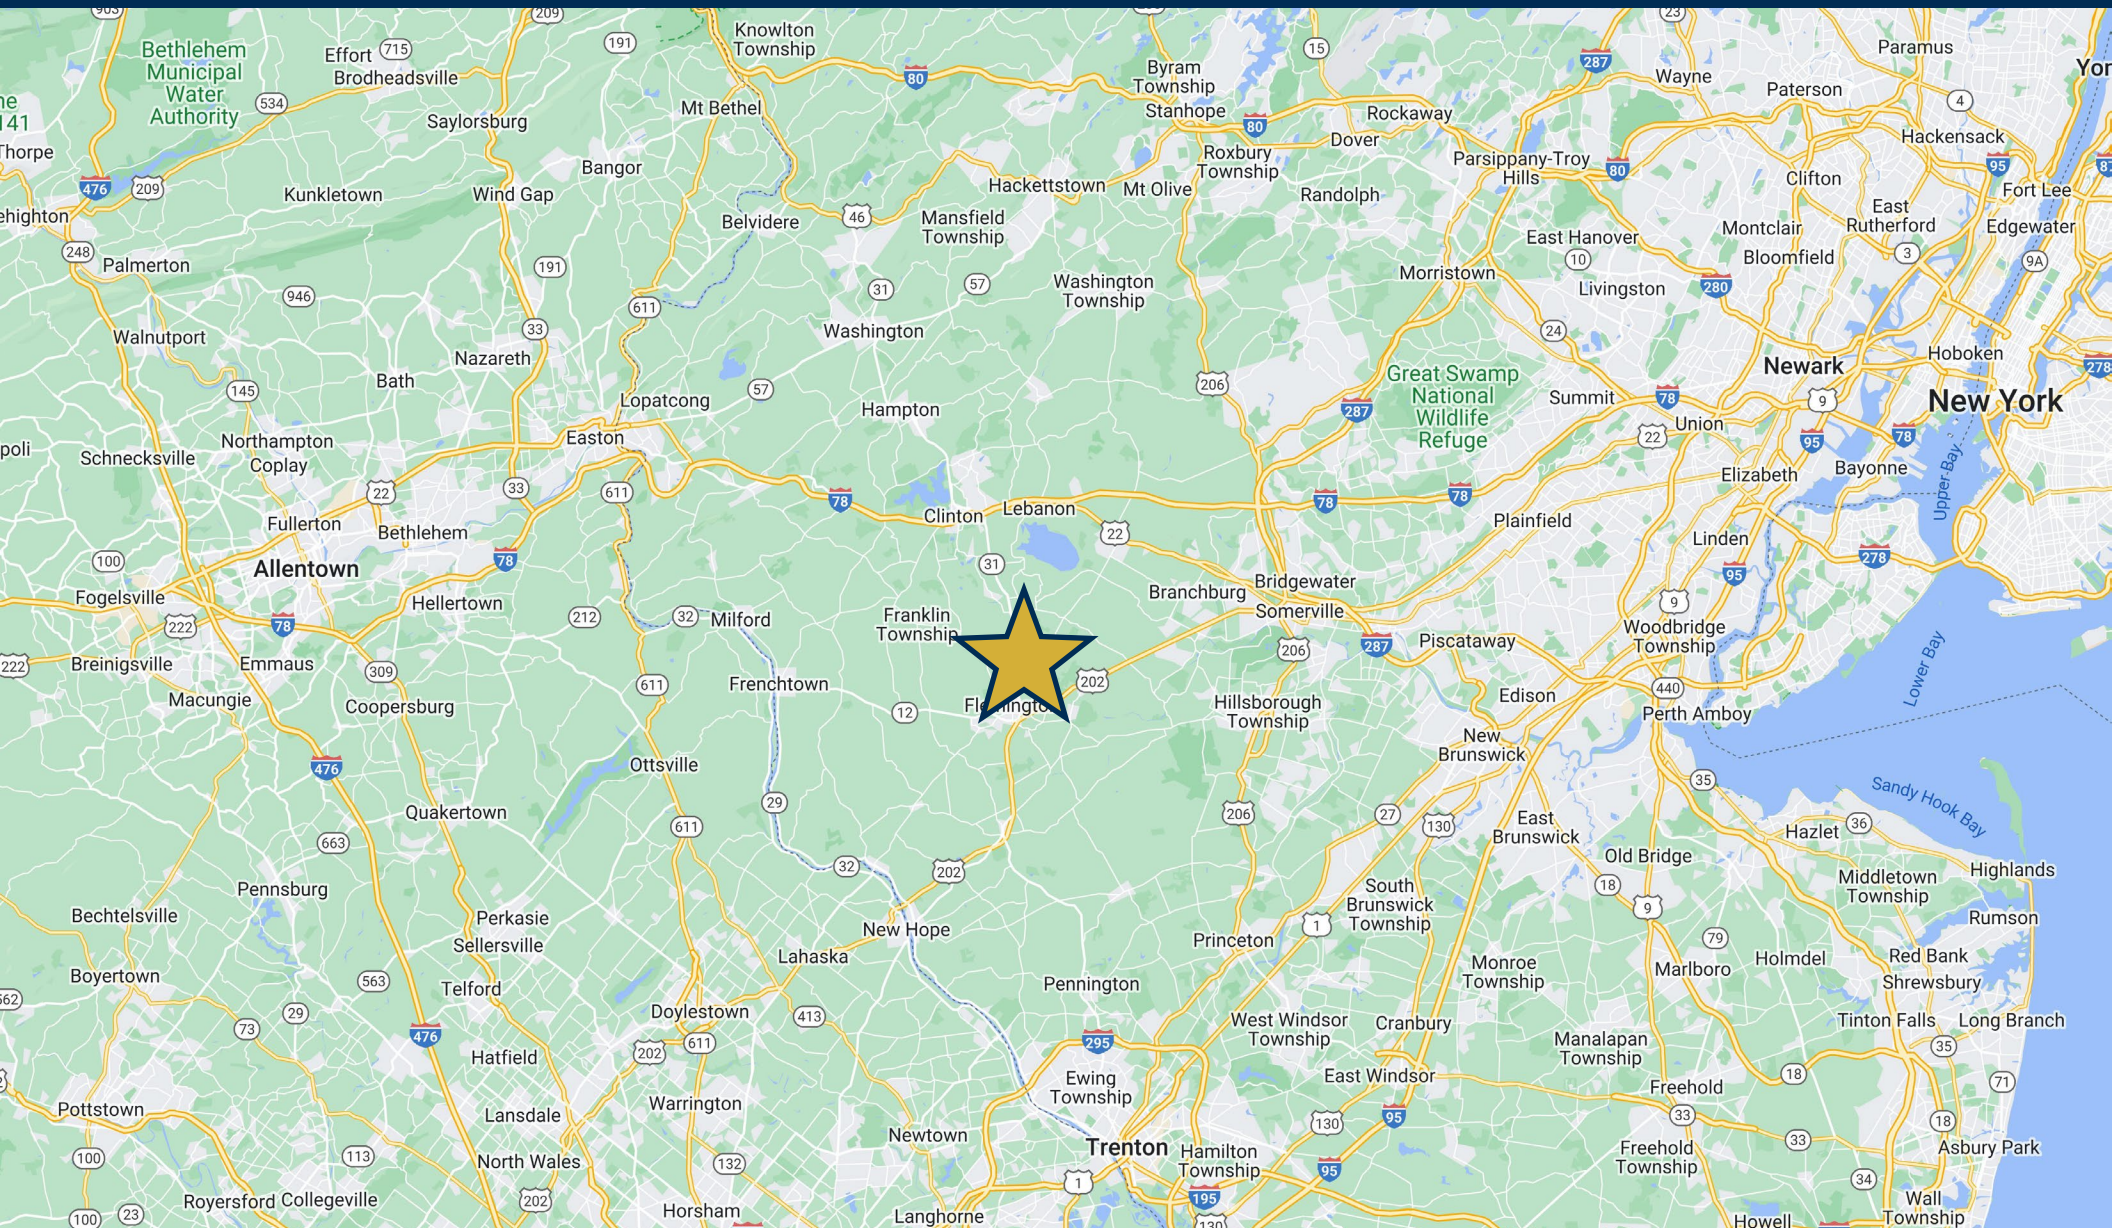

CONFIDENTIALITY & DISCLAIMER

This document is a Broker Price Opinion or Comparative Market Analysis and should not be considered a formal property appraisal. While the information presented has been obtained from sources believed to be reliable, Advance Industrial Group makes no guarantees, representations, or warranties—either express or implied—regarding the accuracy, reliability, or completeness of the information contained herein.

All figures relating to square footage, building age, lot size, lease terms, tenant information, or market conditions are approximate and subject to independent verification. This report does not account for all variables that may impact valuation, nor does it consider specific investment objectives, financial positions, or legal constraints of the reader.

Clients and recipients of this analysis are strongly encouraged to perform their own due diligence and consult with appropriate financial, legal, and real estate professionals before making decisions based on the information provided. Advance Industrial Group shall not be held liable for any losses or damages arising from reliance on the contents of this report.

ZONING: MAJOR INDUSTRIAL (I-2)

§ 296-123 I-2 Major Industrial District

Purpose. It is the purpose of this zone to provide areas suitable to the use of industry and related uses with controls necessary to ensure sound industrial development and when said uses can be adequately serviced by the sanitary sewer system.

Principal permitted uses
Those uses permitted in the I-1 Zone
Warehousing, wholesale and distribution facilities
Trucking terminals
Public parks and public recreational facilities and uses
Hotels and motels
Child-care centers
Solar or photovoltaic energy facility

Permitted accessory uses
Off-street parking loading and unloading
Signs and fences
Facilities required for employees and visitors, such as cafeterias and recreational and medical facilities
Screened and fenced outdoor storage areas
Other uses and structures customarily incidental to a principal permitted use
Retail and wholesale sales of goods manufactured or produced on site, provided that the sales area does not exceed 15%

Conditional uses
Public and private schools and day nurseries
Public areas
Essential services
Farm stands
Clubs, lodges and fraternal organizations
Animal hospitals and kennels
Helistops
Nursing homes
Assisted living facilities
