Rocklin Commons consists of approximately $\pm 359,332$ square feet of new, high visibility retail and restaurant space and is anchored by Target, Ross, ULTA and the first Studio Movie Grill in California. Trader Joe's has recently joined the outstanding line up at Rocklin Commons as well as Five Below.

Located at the northwest quadrant of Sierra College Boulevard and Interstate 80, the center benefits from its excellent position along Interstate 80 and is part of the most significant retail epicenter in the Rocklin trade area and the Sacramento and Placer County regions.

Part of one of the largest new development retail projects in Placer County and the entire Sacramento Region, Rocklin Commons is one of the first major shopping venue opportunities for westbound travelers driving towards the Sacramento MSA and is the last major retail stop for eastbound travelers en route to year-round tourist destinations including Reno, South Lake Tahoe and the Gold Country.

Notable high traffic quick service and full service restaurant co-tenants include Panera Bread, Chipotle, Mooyah Burger, Noodles & Co., and Jersey Mike's. In addition to those restaurants, the popular steak chain, Texas Roadhouse, will also be joining the center soon.
