9900 Stockdale Highway is an approximately 57,703 square foot two-story Class A modern medical office development located directly north of Dignity's Mercy Southwest Hospital. The Stockdale Highway medical corridor, which contains approximately 500,000 square feet of medical office space, is the most sought-after location for medical practitioners in the City of Bakersfield because of its close proximity to Dignity's Mercy Southwest Hospital and other medical uses located along Stockdale Highway. The development consists of the highest quality medical building in the City and is impeccably maintained.

Features & Amenities

- Approximately 4,241 usf / 5,024 rsf existing medical suite located on the ground floor
- Class A medical office space
