PROPERTY LOCATION

THE NEIGHBORHOOD

If you're looking for a friendly, rural, small town community with a forward-thinking attitude, you'll feel right at home here in Okeechobee!

Okeechobee is known as the "Speckled Perch Capital of the World" so it is only fitting that we hold an annual event in honor of this title. The Speckled Perch Festival, sponsored by the Okeechobee Main Street, is our largest festival of the year and is held in March. Each year this downtown event attracts thousands of out of town visitors and locals alike. It's kicked off by a parade that wraps around Flagler Park. Hundreds of craft and food vendors are scattered about, the most popular being the Seminole booths with their colorful jackets and crafts for sale as well as their delicious pumpkin bread. There's also the Okeechobee Cattlemen's Rodeo and the Okeechobee County Fair going on at the Agri-Center.

The location makes Okeechobee the Gateway to South Florida with convenient access to both coasts and all of Central Florida.
