PROPERTY OVERVIEW

This established Michigan hospitality asset represents a stabilized, owner-operated motel with a proven track record of consistent cash flow and high-value physical improvements. Located in Whitehall, MI, the property benefits from a prime position within a resilient local market, showing strong recovery and stable demand.

PROPERTY HIGHLIGHTS

- **Ownership** has maintained a strong commitment to asset preservation, reinvesting over \$65,000 into the property since 2022. The facility features a roof replaced in 2015 and a scheduled boiler upgrade for 2026. Recent improvements include a 2023 parking lot reseal and restripe, alongside the continued utilization of P-tech heating and cooling units to ensure high-standard guest comfort.
- **Modern Amenities:** Operational costs confirm a focus on the guest experience, including dedicated spending on room cable subscriptions and high-quality hotel supplies
- **Prime Hospitality Corridor:** Operating under the 721110 business code (Hotels and Motels), the property is a staple of the Whitehall community.
- **Well-Maintained Grounds:** Expenses highlight ongoing professional maintenance for "Lawn Care & Snow Removal," ensuring the property maintains curb appeal year-round in the Michigan climate

Location Overview

Whitehall, Michigan, is a scenic lakefront community on **White Lake**, serving as a strategic "gateway" to Lake Michigan. Located just 10 miles north of Muskegon, it offers a high-quality small-town atmosphere with the infrastructure of a full-service city.

Location Highlights

- **Economic Anchors:** Supported by a robust manufacturing sector, including aerospace leader **Howmet**, and proximity to **Michigan's Adventure**, the state's largest amusement park.
- **Tourism & Recreation:** A premier destination for boating and outdoor enthusiasts, featuring **Duck Lake State Park**, extensive marinas, and the Fred Meijer Berry Junction Trail.
- **Vibrant Community:** Known for its historic White River Light Station, a thriving downtown arts scene, and annual festivals that drive seasonal foot traffic.
- **Strong Investment:** Boasts over **\$200 million** per square mile in public-private investment since 2012, signaling long-term economic stability.

Would you like me to find specific traffic counts for the roads near the property to include in this section?
