HISTORY: This historical building was built in 1908, as a residential home. It was converted to a commercial office building, prior to the early 1980s, when it was purchased by the current owner.

FACILITIES: The facility consists of 2,302 sq. ft. on a 2,700 sq. ft. (0.062 acre) lot per Assessor's site. The lot includes fencing, and signage. The building contains 6 offices and 2 bathrooms, with lots of storage space. Parking includes spaces, with ample 2-hour client parking across the street.

- Class B building, recently remodeled.
- Well cared for and in beautiful condition.
- First-rate prime commercial property in very desirable area of Denver, with easy access to restaurants, workout facilities, parks, cultural events, etc.
- Ideal for single tenant, multi-office law office, medical office, other professional offices or investors wanting to lease offices or entire building.
- Centrally located with easy access to Downtown, the Capitol, St. Joseph Hospital, City Park.
- Current layout includes 6 offices, a conference room, 2 bathrooms and plenty of storage.
- Potential for conversion to multi-family residential / apartments, as this has been done next door.
- Building utilizes with City of Denver/Excel Energy utilities (gas, water, electric and sewer) and has 2 bathrooms.
- Building construction combination of brick and wood siding.
- Current occupancy is 4 offices at \$2,725. There is one open office and another rentable office, currently used by the owners (effectively two open offices).
- Most leases are on month-to-month, with two longer term (under 1 year each).
- Attached one car garage and adjacent open space that could accommodate a 2nd small car – garage currently used for storage. Access to these is tight.
- Garage conversion possibility, for additional usable space.
- Two-hour street parking across 18th that has always been adequate for client use, on north side of 18th Avenue. Race St. has untimed parking that tenants typically use.
- Foundation a combination of brick and concrete – brick is likely original and concrete foundation part of an addition.
- All systems working and in good order.
- Layout optimization potential for single tenant or investor
