3 Bed 4 Bath 4,032 sq. ft.

Dreams do come true! Owning a waterfront "piece of heaven" changes life forever. This waterfront custom home was designed to integrate the panoramic waterviews from almost every room. Sweeping lawn, lovely perennial gardens, shaded trees all offer privacy on this 1-acre estate. Property includes your own boat dock and a lakeside screened-in gazebo. Private entrance with parking for 12 cars. The 2-story insulated garage offers 2-3 car spaces and a generous finished upper-level studio with a separate side entrance. There is an additional lakeside multi-purpose cottage on the property. The main home has a primary bedroom ensuite with custom-designed spa bath and a heated shower room. Spacious finished walk-out basement, summer kitchen and 1/2 bath offer possible in-law quarters. Enjoy sunsets that will take your breath away!
