Prime Industrial Location - South Bend, IN

24805 US-20 is strategically positioned along one of Northern Indiana's primary commercial and industrial corridors, offering strong regional connectivity and visibility. The property benefits from direct frontage on US-20, with quick access to I-80/I-90 (Indiana Toll Road) and US-31, enabling efficient east-west and north-south distribution throughout Northern Indiana, Southwest Michigan, and the greater Midwest. Located minutes from Downtown South Bend, South Bend International Airport, and key industrial and logistics users, the site is well-suited for warehousing, light manufacturing, service operations, and regional distribution. Surrounding industrial parks, retail amenities, and nearby residential areas further support operational efficiency and workforce accessibility.
