BUSINESS FOR SALE

After 24 years of creating and building The Idaho Design Center, it's time to pass the torch to the next owner. This turn key, well established business is set up for success and growth and there is NO EXPERIENCE NECESSARY, just a willingness to learn and thrive under the previous owner's assistance. This business has an established clientele and projects in process all across the west that the new ownership will profit from and be involved in from day one. Through the many vendor partners, The Center provides its clientele with cutting edge trends in the home furnishing environment. Everything is in place to make the new owner successful from day one, as the current owner plans to stay on and train as long as necessary to make the transition as worry free as possible.
