GREENHOUSE FARMING AVAILABLE

Unlock exceptional farming potential with this expansive 10,000 SF commercial greenhouse facility, ideally located in the heart of Virginia Beach. Perfectly suited for agricultural entrepreneurs, horticulturists, or specialty crop producers seeking a turnkey solution or room to expand. Currently, 3 greenhouses are fully operational and ready for immediate use, with 4 additional structures available for conversion—offering a total of 7 greenhouses if needed. Whether you're cultivating produce, florals, or high-yield specialty crops, this property provides the controlled environment and infrastructure needed to support thriving agricultural operations year-round.
