PROPERTY OVERVIEW

The 33 Innovation Park is the premiere industrial park northwest of Columbus, Ohio in the City of Marysville. Due to its location, the park will be a center for research and development, innovation, and advanced manufacturing. The park has been opened up by the completion of Phase 1 of Innovation Way, a public street constructed through the site from Industrial Parkway.

The 33 Innovation Park is a master planned industrial development with flexible building layouts and various incentives available from the business oriented City of Marysville and Union County. The 33 Smart Mobility Corridor will also provide a competitive advantage for the park. Lot pricing is based on site size and location.
