# Labor – Market Analysis

## LogistiCenter® at Arch Road

### Warehouse Worker

Targeted Demographic Pool - 2020

- Large, highly concentrated population with an above average projected growth over the next five years
- Substantial warehouse worker labor pool of approximately 46,000 individuals within a 10-mile radius
- A positive labor supply/demand balance - with approximately 15,000 more laborers than warehouse jobs within a 40-minute drive time
- Sizable unemployed population of over 90,000 - which may suggest better new job absorption potential
- Moderate market affluence with a higher percentage of households earning less than \$35,000 per year
