# Brewery Row

“

Brewery Row got its start in 2021 as a vehicle to attract and highlight breweries and other alcohol-focused businesses that serve Nevada-made products. It's a way to increase traffic to the Arts District while also building a reputation for the local brewing scene. The area is also one of the 11 stops on the Downtown Loop, a free shuttle service provided by the city to get tourists to such attractions as the Mob Museum and the Fremont Street Experience.

The site overlaps with the Arts District - its boundaries extend north to south from Bonneville Avenue to Oakey Boulevard and east to west from Las Vegas Boulevard to the Union Pacific Railroad line. That boundary is flexible though as Tenaya Creek Brewing is included as part of Brewery Row but is located on Bonanza Road about 3 miles from the other breweries.

To attract business to the area, the city is waiving certain application fees for alcohol-related business licenses, which can run up to \$5,000. These licenses can cover serving beer, wine and a full bar of liquors as well as making alcohol on-site. These waivers have been available for more than two years and the Las Vegas City Council extended them for another two years at their July 2023 meeting.

+ **Landlord / Developer:** KLA Construction & Development

+ **Website:** [klacapital.com](http://klacapital.com)

KLA Construction & Development is located in Las Vegas, Nevada and has an extensive experience in ground up construction and the full-scale remodeling of dilapidated properties while gentrifying and completely modernizing the Downtown Las Vegas landscape. KLA Construction has received many awards through its affiliated investment company, KLA Capital, for its projects throughout the Las Vegas area.

Within this project framework, the landlord assumes the roles of general contractor and developer, enabling the execution of all Tenant Improvement work internally, concurrently with shell and core construction. This approach offers prospective tenants substantial savings, both in terms of time and money, as parallel construction ensures the highest quality and lowest cost when managed by a single contractor. This streamlined process facilitates turn-key delivery of suites.

KLA Capital specializes in investing in strategically located properties in need of extensive remodeling and construction. Currently, it holds the position of the second-highest property owner in Downtown Las Vegas. Collaborating with KLA Construction & Development, Inc., KLA Capital revitalizes empty land parcels or older properties, bringing them back to the market with modern or traditional styles that appeal to a diverse range of tenants.

“City of Las Vegas Mayor Carolyn Goodman hails our development as “absolutely magnificent.”

“Awarded grants by the Las Vegas City Council, our properties have been featured in newspaper articles and news outlets during grand openings, and City of Las Vegas ribbon cuttings.”
