OPPORTUNITY ZONE

The property at 233 Joseph E. Lowery Blvd NW is strategically located within an Opportunity Zone in Atlanta, providing an excellent investment opportunity for both developers and long-term investors. As an Opportunity Zone, this site qualifies for significant tax incentives aimed at stimulating economic growth and revitalization in underdeveloped areas.

Investors in Opportunity Zones can benefit from deferral of capital gains taxes, and if the property is held for at least 10 years, they can also exempt future gains from taxation. This creates a compelling case for purchasing and developing land in this area, especially as the property sits in proximity to Atlanta's growing urban core, with easy access to both residential and commercial sectors.

The location of 233 Joseph E. Lowery Blvd NW offers the potential for substantial appreciation as the neighborhood continues to grow, making it an ideal candidate for residential development. This combination of tax benefits and a thriving urban environment positions the property as a valuable asset in a rapidly evolving part of Atlanta.

LEE + WHITE

Lee + White has emerged as one of Atlanta's most exciting mixed use destinations. The redevelopment of the West End community's former "Warehouse Row" showcases a mix of cutting-edge breweries, restaurants, retailers and food manufacturers. With a focus on contributing to the growth and energy of Atlanta's historic West End, the next chapter in the Lee + White redevelopment will diversify the project's offerings to include a food hall, unique retail spaces and creative loft offices.

ATLANTA BELTLINE WESTSIDE

The PATH Foundation has partnered with the Atlanta BeltLine, Inc. and opened the Westside BeltLine Connector in March of 2021. The Westside BeltLine Connector is part of a 10-mile connection from PATH's Silver Comet Trail in Cobb County. Through this new connection, Atlanta will be the only major U.S. city with a trail emerging from its city center and stretching 100+ miles into a neighboring state, Alabama.

HARTSFIELD-JACKSON ATLANTA INTERNATIONAL AIRPORT

Hartsfield-Jackson has been the world's busiest airport since 1998, both in passengers and number of flights, by accommodating 95 million passengers and 950,119 flights. In addition to hosting Delta's corporate headquarters, Hartsfield-Jackson is also the home of Delta's Technical Operations Center. The airport has international service to every major continent.

WESTSIDE PROVISIONS DISTRICT

Westside Provisions District evolved from a marketing partnership between two adjacent developments; Westside Urban Market and White Provision. Together, these developments offer great retail and restaurant options to the neighborhood and also offered sustainable residential living at its finest.

WESTSIDE RESERVOIR PARK

The park is the City of Atlanta's largest greenspace. Located in northwest Atlanta, it is double as a water reservoir and a 280 acre park when complete. The first section includes walking trails, an open lawn, a grand overlook, and city views. Westside Park connects to the Atlanta BeltLine's Westside Trail Extension, the Westside BeltLine Connector, and Proctor Creek Greenway.

QUARRY YARDS/MICROSOFT

Quarry Yards is located directly adjacent to the new Westside Park at Bellwood Quarry, a 300-acre park. The park is the largest park in Atlanta, and creates a tremendous amenity for the city and those who live, work, and play at Quarry Yards. In addition, the new Proctor Creek Greenway runs through the heart of the site and will eventually link the Westside BeltLine trail with the new park.

Rodney Cook Sr. Park

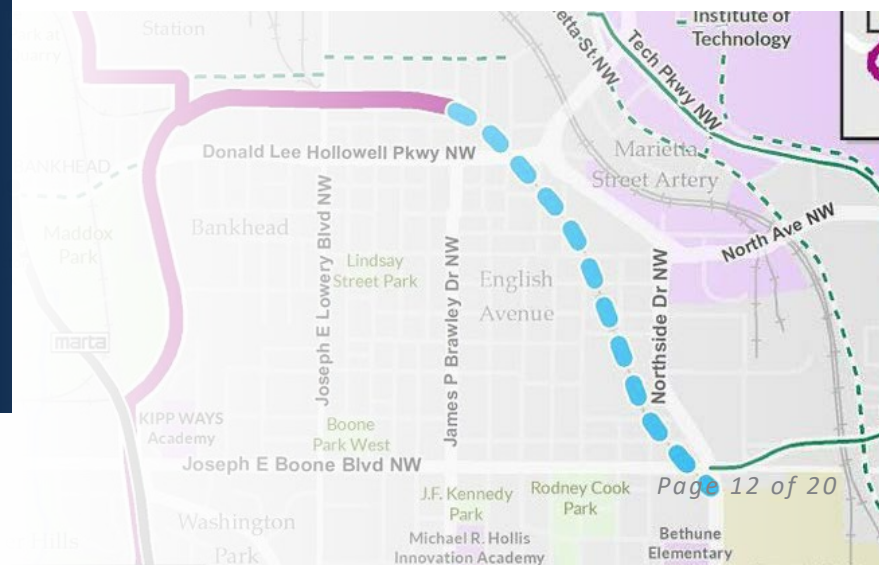

Located 1.06 miles from the Subject Property, Cook Park is designed to seamlessly integrate functional engineering features within a programmed park space. Park amenities provide visitors of all ages and abilities ways to gather, connect and enjoy nature including: a playground, splash pad, aeration fountain, and great lawn, along with a market plaza, multi-purpose courts and an amphitheater stage.

This pivotal project represents a collaborative design effort between the Trust for Public Land, the City of Atlanta Department of Parks and Recreation, the City of Atlanta Department of Watershed Management and the community. This 16-acre park in Vine City is an important stop on the Atlanta Freedom Trail Tour located in Vine City. The park is named after, Rodney Cook, Sr., a Buckhead insurance executive who worked closely with Martin Luther King, Jr. and other civil rights leaders.

WESTSIDE BELTLINE CONNECTOR

The Westside BeltLine Connector (WBC) provides 1.7 miles of connectivity from the heart of Downtown Atlanta to historic westside communities, including English Avenue, Bankhead, and Howell Station. It opened in March 2021 and was built in partnership with the PATH foundation as part of their larger project to create a 10-mile link to the Silver Comet Trail in Cobb County.

The WBC trail begins at the intersection of Northside Drive and Ivan Allen Jr. Boulevard near Centennial Olympic Park and the Georgia World Congress Center. It extends to the northwest, passing through several Westside neighborhoods and providing easy access to the Bankhead MARTA station and an eventual link to the future extension of the Westside Trail, just east of Marietta Blvd. at Donald Lee Hollowell Parkway.

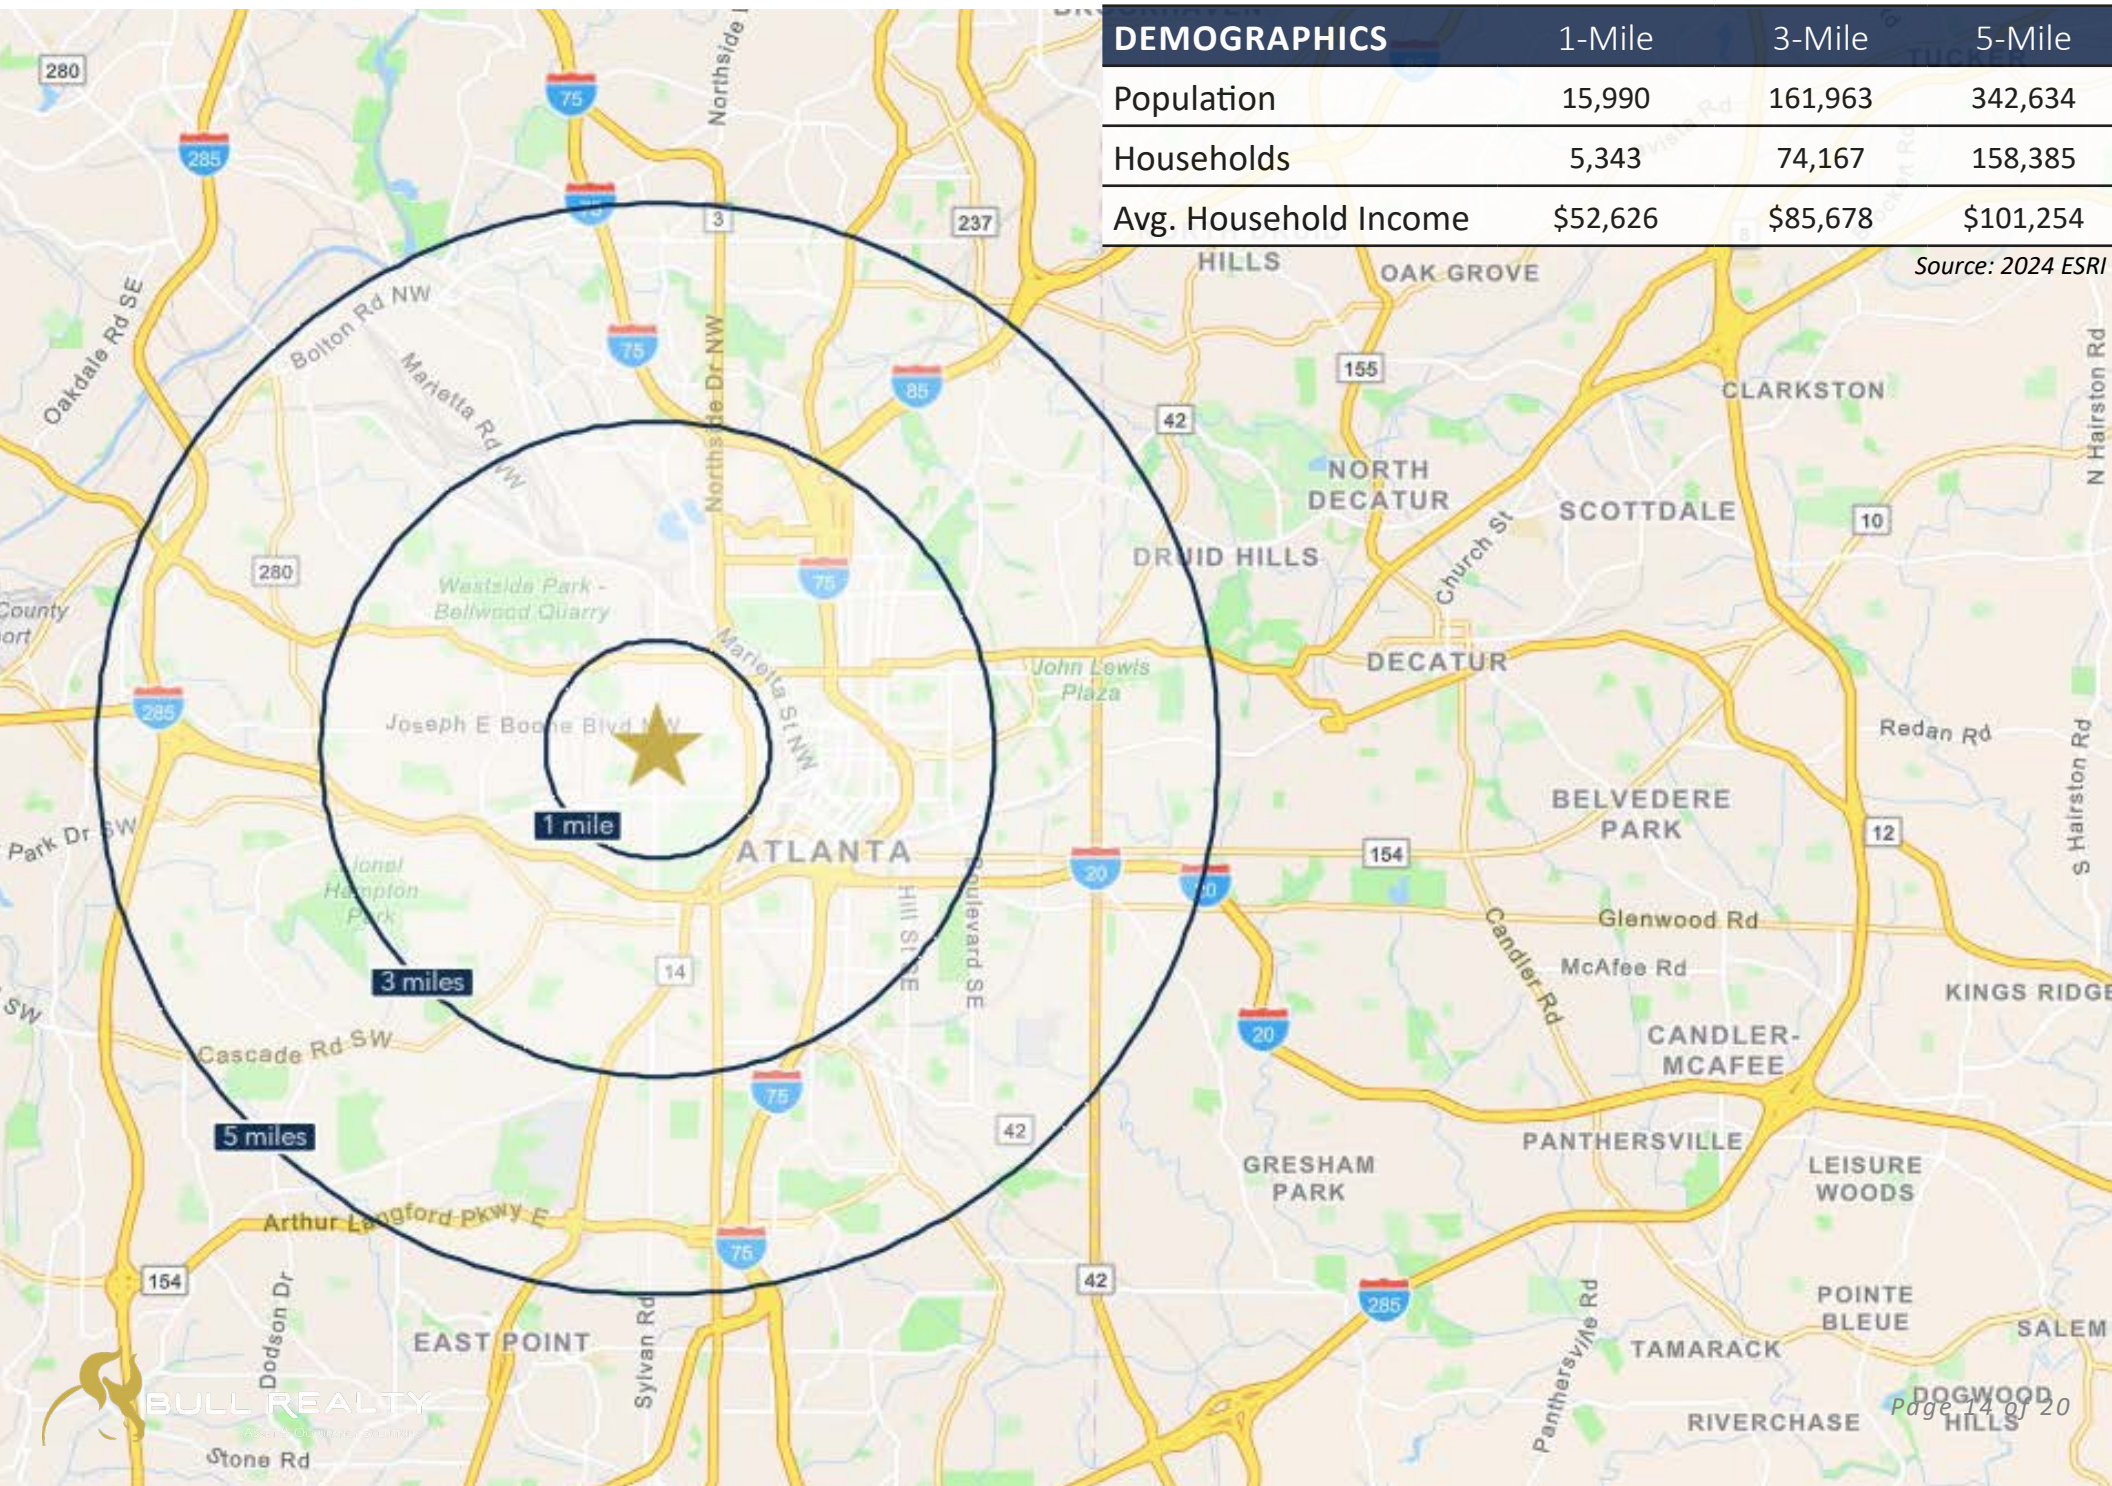

Atlanta University Center

The Atlanta University Center Consortium (AUC Consortium) is the oldest and largest contiguous consortium of African-American higher education institutions in the United States. The center consists of four historically black colleges and universities (HBCUs) in southwest Atlanta, Georgia: Clark Atlanta University, Spelman College, Morehouse College and the Morehouse School of Medicine. The consortium structure allows for students to cross-register at the other institutions in order to attain a broader collegiate experience. They also share the Robert W. Woodruff Library, a dual degree engineering program, and career planning and placement services.
