

6.2.2 Use Table for Base Zoning Districts³

Note: The urban residential zoning districts noted below include all urban residential and White City urban residential districts described in Section 5.4 of this Ordinance. Split use types may not be completely consistent with the "See Also" notes. Notwithstanding the permit review type listed under Commercial and Industrial uses, development subject to discretionary review pursuant to Chapters 7 through 10 requires a Type 2 administrative review, otherwise a new use or change of use on existing commercial or industrial sites are allowed subject to a Type 1 review.
