# Property Highlights

Whiteside Properties is pleased to offer for sale 435 & 501 E Morehead St. These two properties, totaling 12,355 SF represent a great opportunity to own or operate in historically significant property in the thriving Midtown-South End neighborhood. Only two blocks from the Lynx Blue Line Light Rail, across the street from the Dowd YMCA, and proximate to the new Pearl District (Charlotte's new premier medical campus) as well as many of the city's most prominent restaurants and breweries. Uses vary from retail storefront, office space, med office, med spa, and many others.

**Rare opportunity in this submarket to acquire a nationally recognized historic property. 435 E Morehead, "The Mayes House," is the only surviving turn of the century house remaining in Charlotte's old Second Ward. It is one of the few remaining fine houses built on the once-fashionable Morehead Street and a rare intact example of the Shingle Style in Charlotte.**

## Restrictions

**435 E Morehead is protected by a Historical Preservation Easement and is also a Historic Landmark – the building cannot be demolished.**  
**501 E Morehead is protected by a Historical Preservation Easement, but retains development rights limited to 16.5' in height (Buyers should verify development and demo rights on their own).**
