Property Overview

The 1419 S Denver building presents an attractive investment opportunity in a former credit union building, offering 9,020 sq. ft of space, spread equally over two floors. The building is versatile, suitable for both financial institutions and traditional office users. Interior features include 14 hard wall offices, a conference/training area, a break room, multiple restrooms, and an elevator. The existing credit union lobby can easily be converted into an open area for workstations.

Constructed in 2009, the building is zoned OM. It has an ample parking with 29 spaces, 19 of which are located in a secure, gated lot. There is also potential for expanding the parking field. The property's modern amenities, flexible design, and proximity to downtown Tulsa make it an excellent choice for businesses seeking a professional and convenient workspace.
