WHAT DOES PORTER ROAD HAS TO OFFER?

1

SPACE

Modern light industrial and flex spaces ranging from 2,700 to 7,200 square feet, thoughtfully designed to accommodate a wide variety of uses.

FLEXIBILITY

Each unit seamlessly integrates office and warehouse areas, offering exceptional versatility for startups, project incubation, luxury garages, creative studios, boutique fitness concepts, specialty storage, light manufacturing, assembly, recreation, and more.

2

3

FEATURES

Covered storefront and loading door, with most at street level and select buildings offering truck wells at a premium

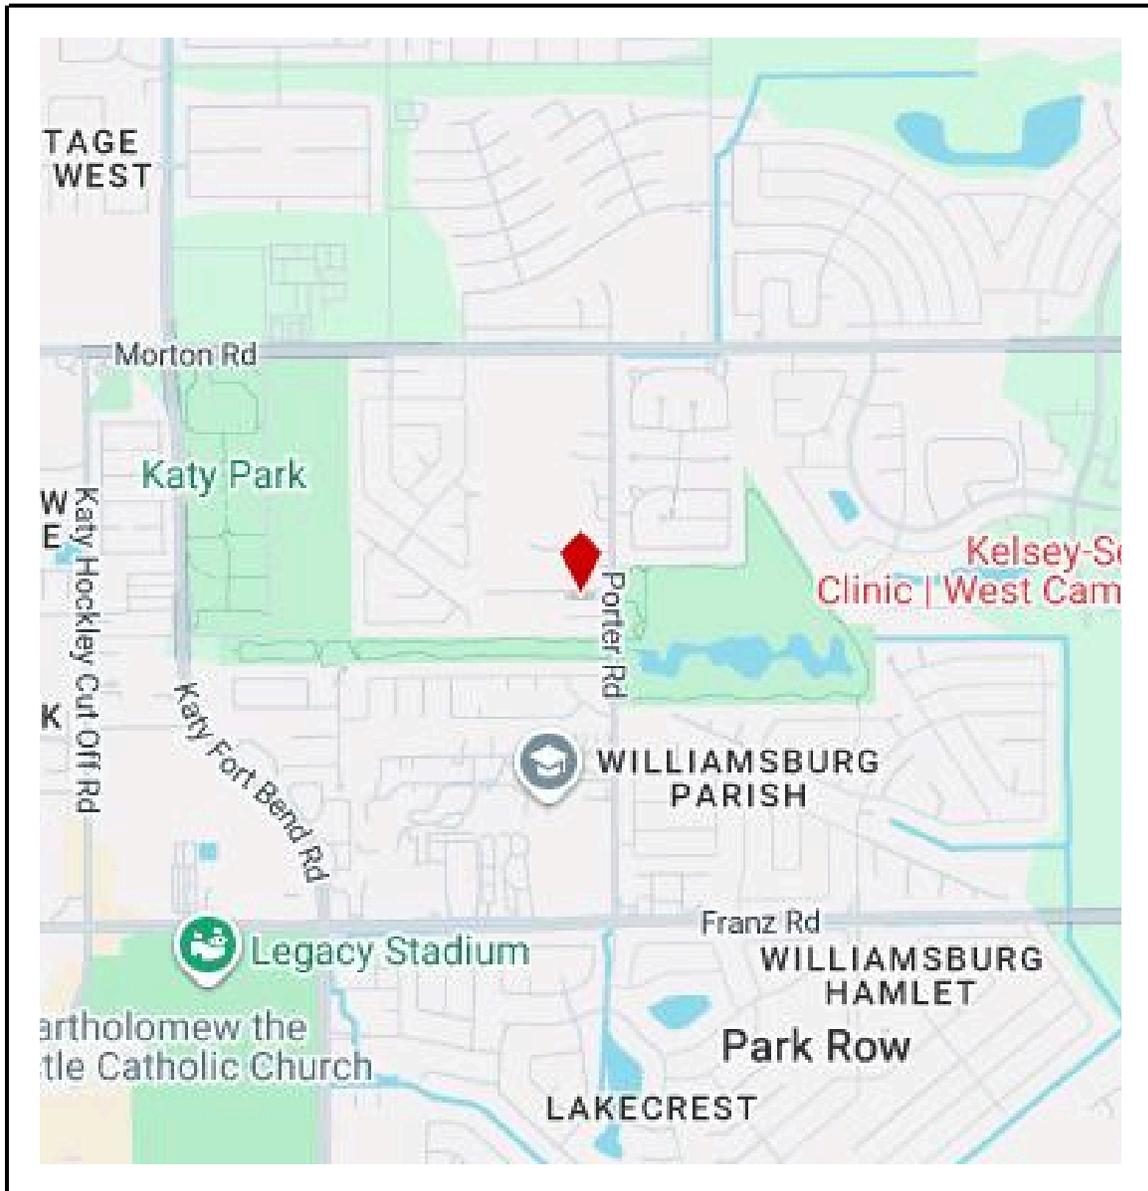

LOCATION

Ideally situated near major highways, outdoor amenities, and shopping and dining destinations, this development delivers convenience and flexibility in a thriving growth corridor.
