## Former Ascension Health Building | Birmingham, AL

±6,800 SF on the second floor (grade level and pictured above) and ±2,000 SF on the first floor are available for lease within this fully renovated, two-story medical office building. Located at the intersection of Gadsden Highway (U.S. 11) and Medical Park Drive East, the property sits just south of Ascension St. Vincent's East Hospital and is highly convenient to the Trussville market.

Originally designed for multi-tenant medical use, the building offers grade-level access to both floors, ample 3.7:1,000 parking ratio (with additional parking planned), and modernized 2024 renovations throughout. The first floor is currently occupied by a Birmingham Minimally Invasive Surgery, while the second level—formerly an institutional office—is ideal for a single user or multiple tenants.
