THE OPPORTUNITY

A rare chance to lease a purpose-built automotive campus in the heart of Colorado's most active auto dealership corridor. Located on the Havana Motor Mile directly adjacent to INFINITI of Denver — with LHM Chrysler/Jeep/Dodge/Ram, Mile High Acura, and Mile High Honda across the street — this two-parcel property delivers the infrastructure, lot capacity, and dealer adjacency that serious automotive operators demand.

The campus has a proven track record: Lyft Inc. operated a rideshare fleet hub here, and Caliber Fleet Solutions ran fleet collision and maintenance operations. The next inherits validated automotive infrastructure and an irreplaceable location.

INVESTMENT HIGHLIGHTS

Property & Location Overview

Positioned along the highly trafficked South Havana Street corridor in Southeast Aurora, 2930-2950 S Havana offers a rare opportunity to establish a presence in one of the metro's most active retail and service-oriented submarkets. The property itself has historically functioned as an auto-oriented retail site, featuring approximately 3,200 SF on ±1.3 acres, well-suited for dealership, service, or automotive-related uses.

The site benefits from strong visibility and direct frontage along Havana Street, a major north-south arterial connecting dense residential neighborhoods to key employment hubs including the Denver Tech Center and I-225 corridor.

Area Highlights & Business Appeal

Located in the established Dam West / Southeast Aurora trade area, the corridor is characterized by a high concentration of daily-needs retail, automotive users, and regional shopping destinations. Just minutes north, The Gardens on Havana serves as a major retail anchor with national tenants like Target, Kohl's, and Dick's Sporting Goods, driving consistent consumer traffic to the corridor.

- **High Traffic Corridor:** Havana Street is a primary commuter route linking Aurora, Denver, and Centennial, providing strong daily vehicle counts and visibility
- **Dense & Established Demographics:** Surrounding neighborhoods offer a stable, middle-income residential base with strong daytime population from nearby offices and service uses
- **Proximity to Employment Hubs:** Quick access to the Denver Tech Center, I-225, and Parker Road corridors supports a steady flow of commuters and business traffic
- **Retail & Service Synergy:** The corridor features a mix of national retailers, restaurants, and service providers that generate repeat visits and cross-shopping
- **Accessibility:** Convenient regional connectivity with proximity to major arterials and a short drive to Denver International Airport (~30 minutes)

The **Havana Motor Mile** is one of the largest and most established automotive corridors in the Denver metro area, stretching along South Havana Street through Aurora. For more than 50 years, the corridor has served as a premier destination for auto sales and service, evolving into a dense concentration of dealerships, repair shops, and automotive-related businesses.

Today, the Motor Mile features **20+ dealerships** and over **100 auto service-related businesses** all within a single, highly visible corridor, offering one of the largest selections of vehicles and automotive services in the region.
