EXECUTIVE SUMMARY

We are pleased to present Alexandria Tower Apartments, a classic, 1920s built Beaux Arts style apartment building located within the heart of the Koreatown community of Los Angeles just south of 3rd Street. Koreatown is the most densely populated neighborhood in Los Angeles County with nearly 50,000 residents per square mile. Also, Koreatown has experienced significant revitalization in recent years. With outstanding access to retail amenities, entertainment, and cultural venues, Koreatown has become a culturally rich dining and nightlife destination, drawing visitors from all over Los Angeles County. The property will garner significant investor interest due to the extremely desirable location.

The property features a 91 WalkScore meaning residents find themselves in a Walkers Paradise; all daily conveniences are within walking distance. Residents are only moments away from multiple Metro Stations offering direct access to Downtown LA, Hollywood, and the San Fernando Valley with exceptional connectivity to all of Los Angeles County via other Rail and Bus lines. The property has been meticulously maintained, having undergone a significant capital improvement program, while retaining the old-world charm and uniqueness inherent in 1920s built structures. Most units feature exposed brick walls, updated vanities and fixtures, original hardwood flooring, and a complete appliance package.

The property offers bright and airy over-sized studio and one-bedroom apartments which feature charming detail as well as eat-in kitchens, glass French doors, wood-style flooring, and ceiling fans in living areas and dining areas. INVESTMENT HIGHLIGHTS

- Offers at \$139,583 Per Unit and 6.73% Cap Rate on Current Income
- Well-Maintained Assets Featuring Classic Finishes and Value-Add Potential
- Additional Value Through Upgrading Lightly Upgraded Units and Adding Additional Resident Amenities

The asset is a classic, 1920s built Beaux Arts style apartment building featuring old-world charm along with many recent upgrades and renovation. Overview

CALIFORNIA KOREATOWN

Alexandria Tower Apartments is located just west Downtown Los Angeles in the community of Koreatown. The property is centrally located between the 110, 101 and 10 Freeways, providing residents convenience access to nearby submarkets. Koreatown is a vibrant LA neighborhood filled with hidden gems, bars, eateries, and a collision of cultures. As the name suggests, the atmosphere in Koreatown is heavily influenced by Korean culture. The neighborhood is a favorite destination among foodies city-wide for its endless selection of authentic Korean restaurants, but the community has a much more diverse character than that: the broad range of cultural influences is exemplified in landmarks like the synagogue and contemporary art gallery of the Wilshire Boulevard Temple, the Latin fusion cuisine of Roy Choi's restaurants, and the popular German/Korean/Hawaiian tinged gastropub, Biergarten.
