SITE LAYOUT HEDDLE HILL

Discover Heddle Hill Business Park

Greenville's Hub for Community, Industry, & Innovation! Spanning 50 acres, Heddle Hill is currently home to over 40 dynamic businesses across eleven buildings. The property totals just over 430,000 square feet and features a balanced split between S-1 services and I-1 industrial zoning, offering flexibility for a wide range of uses. Whether you're in services, manufacturing, logistics, or something unique, we have the space and flexibility to meet your needs.

Prime Location - Unmatched Connectivity

Strategically located, Heddle Hill is just minutes from major highways: 1.5 miles from US-29 (Wade Hampton Blvd), 1.0 mile from SC-291 (Pleasantburg Drive), and seamless access to I-385 and I-85, connecting you to regional and national markets with ease. The property boasts multiple access points, ample parking for employees, customers, and trucks, as well as fleet parking availability and extensive outdoor storage facilities.

Support & Collaboration

Tenants benefit from professional support combined with the collaborative energy of the community, making it a prime location for growth-oriented businesses across different industries and services.
