WELCOME TO

Davenport

Davenport stands one of Florida's fastest-growing cities with an annual growth rate of 10.49 percent per World Population Review. From 2020 to 2024, it experienced an extraordinary 42 percent population increase. Davenport is only 10 miles from Walt Disney World, 30 miles from Orlando and 54 miles from Tampa, offering unparalleled access to world-renowned attractions while maintaining a distinct charm and high quality of life.

The overall landscape features sprawling luxury villa communities that complement its destination proximity, attracting families seeking spacious accommodations and entertainment access. The city offers significant economic advantages, making homeownership accessible and yielding numerous developments. Nationally-recognized as a golfer's paradise, Davenport features championship courses designed by legends like Greg Norman, Jack Nicklaus and Arnold Palmer. ChampionsGate Golf Resort serves as the crown jewel, offering two 18-hole championship courses and luxury amenities.

With an estimated 17,509 residential units in the current development pipeline, Davenport perfectly balances rapid growth with thoughtful planning as demonstrated by **Berry Town Center** strategically located on the main thoroughfare of US-27, creating an ideal destination for residents and visitors seeking Central Florida living and leisure.

Who lives in the three-mile radius?

Up & Coming Families

Suburbanites with diverse family structures, education and employment

Median Age: 33.6

Median HH Income: \$89,093

LifeMode Group: Family Fabric

Socioeconomic Traits: Up and Coming Families are new families and many are first-time homebuyers who favor new construction. They are in tune with the latest technology and focus on experience-based destinations: zoos, aquariums and theme parks.

Modern Minds

Urban, educated, affluent households with commutes

Median Age: 34.6

Median HH Income: \$91,039

LifeMode Group: Tech Trailblazers

Socioeconomic Traits: Modern Minds is comprised of individuals located just outside of their downtown. They tend to order online from clubs and department stores and spend money on clothing and travel, opting for active vacations shared on social media.

Southern Satellites

Family-oriented commuters enjoying outdoor lifestyles on metro peripheries

Median Age: 41.5

Median HH Income: \$72,167

LifeMode Group: Countryscapes

Socioeconomic Traits: Southern Satellites represent families who live in the suburban outskirts. They're outdoor enthusiasts who balance long commutes with camping, fishing and hunting while shopping at discount stores and dining at chain restaurants.

Young & Restless

College-educated, career-oriented young professionals and students

Median Age: 31.4

Median HH Income: \$56,258

LifeMode Group: Urban Threads

Socioeconomic Traits: Young and Restless are highly-mobile singles and couples without children. They prioritize convenience with frequent fast food and digital services, spending leisure time on video games and streaming. Majority are renting over purchasing a home.
