

# Glenbrook Village

Located in Hendersonville, Tennessee, Glenbrook Village is a 73,000 sq. ft. commercial space that will feature 297 residential units. This mixed-use community will soon offer four three-story residential condominium buildings and nine buildings with townhomes, accompanied by a select few rooftop decks. In addition, Glenbrook village will also be home to two commercial buildings, restaurants, and shops, providing the community and its residents with a mixed-use development that represents the future.
