FINAL DISCLAIMERS:

- Please remember that every property is owned by a third-party landlord, and they are the ultimate decision-makers. Many factors influence the Landlord’s decision. We act as listing agents/property managers and do our best to facilitate a smooth rental process.
- All Pennsylvania Association of Realtors leases are written with tenant and cosigner joint and several liability. This means that each tenant and cosigner is individually responsible for all of the obligations of the lease, including rent, fees, damages, and other costs.
