LOCATION OVERVIEW

HOLLYWOOD PARK

HOLLYWOOD PARK

Hollywood Park is a transformative 300-acre mixed-use development in Inglewood that serves as a central hub for the Westside, South Bay, and greater Los Angeles communities.

Anchoring one end of the project is a dynamic 500,000-square-foot retail and entertainment district, featuring a curated mix of global and local brands, distinctive dining experiences, and vibrant nightlife. This district is complemented by luxury residential communities and next-generation office campuses, designed with best-in-class technology and sustainability features that foster collaboration and community engagement.

At the heart of Hollywood Park is SoFi Stadium, home to the Los Angeles Rams and Chargers, and a world-class venue that will host major global events including the 2028 Summer Olympics. Surrounding amenities include the YouTube Theater, a 6,000-seat performance venue, and Hollywood Park Studios, a new creative campus set to become the International Broadcast Center for the Olympic Games.

Together, these elements establish Hollywood Park as one of the most significant developments in Southern California—a premier destination for sports, entertainment, business, and lifestyle that will continue to shape the economic and cultural landscape of Los Angeles for decades to come.

NEW: INTUIT DOME

INTUIT DOME

Intuit Dome, the new home of the Los Angeles Clippers, is a \$2 billion, privately financed arena in Inglewood that seats approximately 18,000 fans. It was built to deliver one of the most innovative and fan-focused experiences in professional sports.

Highlights include a 360-degree halo video board, a signature single-tier “Wall” section with 4,700 passionate fans, and advanced sustainability systems that make it one of the most energy-efficient arenas in the world.

Strategically located next to SoFi Stadium and the broader Hollywood Park development, Intuit Dome cements Inglewood as a premier destination for sports and entertainment. In addition to Clippers games, the arena is expected to host concerts, special events, and play a role in the 2028 Summer Olympics, adding to its international significance.

With its cutting-edge design, technology integration, and focus on fan engagement, Intuit Dome represents a new benchmark for modern sports venues and a powerful driver of economic activity in Los Angeles County.

LOCATION OVERVIEW
