INVESTMENT OVERVIEW

This prime commercial investment opportunity is located at the intersection of Business Highway 53 and Seymour Road in the heart of Eau Claire. The property boasts high visibility, substantial traffic counts, and excellent corner signage exposure. Currently, the building is fully leased to five established tenants, ensuring immediate and stable income.

Its adaptable layout offers the potential for future subdivision to accommodate additional tenants, or it can support owner-occupancy while generating rental income. This property presents an ideal opportunity for investors seeking a stabilized cash-flow asset or for an owner-user looking to occupy space in a premier commercial location. Additionally, the well-known business "Awards and More" is available for purchase separately, though it is not included in the real estate price.
