Rhinclander, WI 54501

Re: Intent to upgrade water well and septic system,
on my property at N5692 Leopoli Road, Shawano County, WI.
Per your letters dated August 29, 2013, and July 20, 2025, I am
following the directive to send you a registered letter 60 days in
advance of this project commencing.

Would like to know if this will affect the value of the
property if you acquire it to make 29 a freeway.

WIS 29 and Leopoldis Road

Hi Jim,

I wanted to follow up from your call to me on Friday 8/22/25, requesting email confirmation regarding the proposed improvements to the well and septic system on your brother George Dillenburg's parcel located at N5692 Leopoldis Road in Shawano County.

As I stated in my voicemail, WisDOT – North Central Region has reviewed the letter you provided on your brother's behalf. We have no concerns regarding the proposed improvements. If a WIS 29 freeway expansion project is ever planned in the future, WisDOT would assess any lands and improvements from your brother's parcel that were needed for highway expansion at the fair market value for the property. WisDOT has no freeway expansion plans at this time.

Please let me know if I can be of further assistance.

Thanks,

Rich Handrick, PE
WisDOT Access and Traffic Impact Analysis Engineer
