The Building

BOSA WATERFRONT

320 Granville, downtown Vancouver's latest top-tier office tower by Kohn Pedersen Fox, is ideally located near Waterfront Station. The building offers easy access to a variety of public transportation, bike paths, luxury shopping, and dining, along with stunning views. It stands as a beacon of modern architecture at the intersection of Granville and Cordova Streets. The tower is perfectly positioned for convenience to Coal Harbour and Gastown, while the lobby features marble floors, high ceilings, and plenty of natural light. This central hub connects to all major public transit lines, ensuring an exceptional work environment where the vibrancy of Gastown, Coal Harbour, and the waterfront converge.

Conference centre located on the 28th floor with harbour, mountain and city views.

The facility features a state-of-the-art fitness center, exclusive end-of-trip facilities, fully equipped boardrooms with advanced AV setup, kitchen, an elegant social lounge, and a premium rooftop dining area, offering a blend of luxury and convenience

SKY TERRACE

This premier venue, set against the stunning backdrop of Vancouver, offers a sophisticated indoor dining lounge and an elegant outdoor grill area with bar seating, alongside a cozy fireside lounge. Ideal for hosting a range of events, from corporate gatherings to personal celebrations, its versatile spaces provide both luxury and functionality. Available for bookings, it promises an upscale experience, combining breathtaking views, refined amenities, and a professional ambiance.
