Number of Floors	4

PROPERTY DESCRIPTION

The Candlewood Suites & Best Western Plus Portfolio represents a premier investment opportunity in the heart of Oak Harbor, Washington. This 160-key, dual-branded portfolio consists of two 4-story, interior-corridor hotels situated on approximately 3.91 acres of fee-simple land. Having recently completed extensive Property Improvement Plans (PIPs) in 2026, the properties offer a turnkey transition for an incoming owner with modernized guest rooms, refreshed public spaces, and optimized infrastructure.

Strategically located along Whidbey Island's main arterial S.R. 20, the portfolio benefits from high visibility and proximity to NAS Whidbey Island, the region's largest economic driver. The dual-brand strategy captures a diverse range of demand, from long-term defense contractors and military families at the Candlewood Suites to leisure travelers and corporate groups at the Best Western Plus, which features the area's premier conference facilities. Oak Harbor serves as the commercial hub of Whidbey Island, a destination renowned for its rugged coastal beauty and year-round tourism. With a combined market share of nearly 46% of the city's hotel keys, this portfolio offers significant market control in a high-barrier-to-entry Pacific Northwest locale.
