BENEFITS OF FREEHOLD STRATA OWNERSHIP

FREEHOLD STRATA VS. LEASEHOLD

Freehold strata ownership is far superior to leasehold ownership as you have full control over the land the property sits on and are not subject to lease renewal increases over time.

EQUITY

Build equity by paying into your own free-hold unit rather than paying lease payments and tenant improvement costs for someone else's benefit

FLEXIBILITY & CONTROL

Operate out of your own facility or lease it out. By becoming a landlord you are no longer subject to sudden rent increases or difficult landlords.

APPRECIATION & WEALTH

Historically industrial assets have appreciated in value which provides you a significant opportunity to build wealth over time.

TAX BENEFITS

Ability to write off rental payments as business expenses and deduct the carrying costs against rental income. These tax benefits do not exist when leasing.
