Centerton, AR

Centerton is a city in Benton County, Arkansas. Located west of Bentonville on Highway 102, Centerton is part of the Northwest Arkansas region, which is one of the fastest-growing metro areas in the country. Once a predominantly agricultural area, Centerton has diversified its economy with the growth of nearby cities like Bentonville, home to Walmart's headquarters. Many residents commute to nearby cities for work, contributing to the local economy through retail, service industries, and healthcare.

Centerton has seen significant residential and commercial development in recent years, with new subdivisions, shopping centers, and amenities catering to its growing population. This growth has led to increased demand for housing and services. Interstate 49 runs nearby, providing convenient access to other parts of Northwest Arkansas and beyond. The Northwest Arkansas Regional Airport (XNA) is also relatively close, offering connections to major cities across the United States.
