Property Description:

1059 N Market St. in Troy is a versatile 5,897 SF professional campus on 0.47 acres. Featuring two distinctive two-story office buildings connected by a welcoming courtyard, this property creates an impressive first impression for clients and staff alike. The layout is ideal for a single user or an owner-occupant looking to generate rental income from the secondary building. With 18 private offices, 6 bathrooms, a conference room, kitchen, and a professional reception area, the interior is designed to support productivity, privacy, and professional presentation.

Zoned B-1, the property accommodates a wide variety of general, medical, and professional office uses and offers exceptional flexibility for businesses planning for future growth. Situated on a growing commercial corridor with 8,290 vehicles passing daily, the property delivers strong visibility and accessibility. Its location directly beside the Midwestern Ohio Association of REALTORS® adds strategic value for real estate offices, contractors seeking high visibility to REALTORS®, and any professional user who benefits from proximity to industry partners.

Whether you're establishing a headquarters, expanding your footprint, or seeking a campus-style setting rarely available at this size, 1059 N Market St. offers a compelling blend of functionality, presence, and potential income.

Please note: the generator at the front of the main building is not currently functioning
