The Ballou Team is pleased to present 0 Ivy Brook Road, a 6.8-acre commercial vacant land parcel located in Shelton, Connecticut. Zoned PDD1 (Planned Development District), this offering provides a rare opportunity to develop within one of Fairfield County's most dynamic and expanding commercial corridors.

Strategically positioned off Route 8 (Exit 13), the site sits adjacent to the Ivy Brook Medical Center, a modern 40,000 SF outpatient campus housing medical specialists, including Griffin Imaging & Diagnostics, Hartford HealthCare's Ayer Neuroscience Institute, and Select Physical Therapy. The area is also surrounded by flexible-use zones (IB-1, A, and PDD overlays), supporting a range of commercial and professional developments.

The parcel's size, zoning, and proximity to established infrastructure make it ideal for:

- Medical and healthcare offices
- Professional or corporate campuses
- Flex/R&D space
- Mixed-use commercial development
