Ceiling Height:	24'
Year Built:	1917

PROPERTY SUMMARY

6700 Morgan Ave in Cleveland offers 22,444 SF of single-story industrial space on 1.27 AC with 24-ft clear height. Built in 1917, this facility features six drive-ins, heavy-duty 1,400A/480V 3-phase power, and SI zoning for flexible use. A fenced yard provides secure storage, and its prime location offers quick access to I-90, I-77, I-71, I-480, and I-80, making it ideal for contractors, distribution, or manufacturing operations.
