Location Overview

Elk Grove Office Submarket Overview

The second-largest city in Sacramento County, Elk Grove is a family-oriented community that offers everything from starter homes to ranch estates. Its population of more than 170,000 residents is diverse in ethnicity, age and income levels. There are approximately 52,000 households in Elk Grove, the second largest City in the Sacramento region. There is a median income of \$84,827.

Elk Grove's location provides easy access to two major freeways, the Sacramento International Airport, rail lines and two ports. The City of Elk Grove is known for an award winning school district, a variety of outstanding restaurants, a historical district, first-rate parks, a prosperous business community, and much more.

Named the first city to incorporate in California during the 21st century (July 2000), Elk Grove has blossomed with new businesses, residents, and employment opportunities, City services include an outstanding police department, animal care services unit and a first-rate public transportation system.

Vacancy in the Elk Grove office submarket is 2.9% and has decreased 0.4% over the past 12 months. Meanwhile, the rate of increase in the broader Sacramento market was 1.0%. During this period, 15,000 SF has been absorbed, and 3,800 SF has delivered. Total availability, which includes sublease space, is 3.7% of all inventory. Rents are around \$28.00/SF, which is a 0.5% increase from where they were a year ago. In the past three years, rents have increased a cumulative 5.1%. This submarket is slightly more expensive than Sacramento as a whole, where average rents are \$27.00/SF. While there is nothing under construction, there has been some recent activity. Around 25,000 SF of net deliveries have been brought online in the past three years. In the past 12 months, 10 sales have taken place.
