LEASING STATUS PLAN

LS-1

This drawing is only illustrative of the size and relationship of the leaseable premises, common areas, other buildings and facilities, and are subject to change from time to time. The precise location and dimensions of the premises depicted on the Lease Outline Drawings attached to the Lease. The Landlord makes no representation or warranty via this document that any specific Tenant noted herein has any right, title or interest in the premises, or that the premises are the Center or that any portion of the improvements as indicated will be built, all of which are subject to change. The Landlord reserves the right to alter, modify or remove any portion of the improvements at any time, without notice, and the Tenant shall be responsible for identifying any and all dimensions and locations.
